

FORD MOTABILITY PRICE GUIDE

3 Year Contract Hire Prices - Dealer Guide

Effective 1 July 2017 - 30 September 2017

Motability

The leading car scheme for disabled people

Premium Paint and Rear Parking Sensors will be included as Free Options on all new Ford cars contracted through the Motability Scheme by a Ford Authorised Dealer (if not already included as Standard). This offer excludes Exclusive body colours. Where Exclusive colours are available to order, they are at additional cost. For details and availability, refer to the retail price list or consult your Ford Dealer. Note that Mondeo, S-MAX and Galaxy are fitted with both Front and Rear Parking Sensors. No cash alternative is available.

Vehicle shown is an S-MAX and is for illustration purposes only.

FORD MOTABILITY CONTRACT HIRE POLICY

KEY

DLA, PIP & AFIP		WPMS	
Advance Payment	Weekly Payment	Advance Payment	Weekly Payment
£0	T/A	£0	£56.75

Where:

DLA/PIP and and AFIP - Recipients of the Disability Living Allowance - Higher Rate Mobility Supplement, Personal Independence Payments or Armed Forces Independence Payments.

WPMS - Recipients of the War Pensioners Mobility Supplement

Advance Payment - The amount payable at the start of the 3 year Contract Hire period.

T/A - Total Weekly Allowance

FUEL CONSUMPTION

† The fuel economy figures quoted throughout this price guide are achieved by following strict EU governed test procedures and are specifically designed to enable customers to compare vehicles from all manufacturers on a like-for-like basis. Fuel consumption is directly affected by the length of the journey; number of passengers and amount of luggage carried; individual driving style; road and traffic conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance; use of vehicle features such as air conditioning; and any modifications to the vehicle such as the addition of a roof rack. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures (below) in day-to-day driving, although the vehicle is technically capable of doing so.

∅ The declared fuel / energy consumptions, CO2 emissions and electric range are measured according to the technical requirements and specifications of the European Regulation (EC) 715/2007 and (EC) 692/2008 as last amended. Fuel consumption and CO2 emissions are specified for a vehicle variant and not for a single car. The applied standard test procedure enables comparisons between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors are very important in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contains data for all new passenger car models is available at any point of sale free of charge or can be downloaded from <http://carfueldata.dft.gov.uk/>.

Notes and Conditions

Applications must be received and accepted by Motability Operations Limited between 1 July 2017 and 30 September 2017.

All vehicles require the total allowance to be committed for the 3 year contract period and any subsequent increases in the allowance are forfeited.

Where a monetary value is shown any subsequent increases in the allowance will be paid by the DWP to the recipient.

Prices are true and accurate at the time of publishing. Prices change from time to time.

Ford Motor Company Ltd. reserve the right to change prices without prior notification.
